

## Self-disclosure for the Master's program 'Religion, Ethics and Politics' (MaREPol) at TU Dortmund University

Dear applicants,

thank you for your interest in our Master program. Before you apply , we would like to ask you to read this form carefully and answer the corresponding questions. This should help you to check the admission criteria for the study program and evaluate whether you are eligible for our Master program.

Surname/Family name:	
First name/Given name:	
Date of birth:	
Bachelor degree:	
Bachelor University (name and location):	

In order to be eligible for our Master program, you have to fulfill four different admission criteria:

1) A **Bachelor's degree** (or equivalent) in humanities, cultural sciences, social sciences, economics, natural sciences, and/or engineering, which has provided significant knowledge in a philosophical, political science or a theological subject.

In order to help you with the Orientation whether your Bachelor's degree has provided such knowledge, we like to ask you to name courses, that have addressed the subject area in any way:

[illegible]

2) The overall **grade** achieved in the Bachelor's degree should be at least "**good**" (**Grade: 2.5**) or better. (If you have a foreign degree, your grade must be converted into the German grading system.)

3) All courses are taught in English. Therefore, applicants have to provide proof of the **language level B2** (or better) of the Common European Framework of Reference for Languages. Language skills can be proven as follows:

- Proof of English language skills in a German high school diploma
- Through an internationally recognized language certificate (for example TOEFL; IELTS) or comparable certificate
- By attending an English-speaking school for at least one year
- Applicants whose native language is English or who have obtained a degree in an English program.

4) You will need to submit an **Examination Task**. In order to successfully study at our faculty, we have to ensure that you bring all necessary skills with you. An important part of the study will be to address and understand the relationship between the spheres of religion, society and its moral concepts, and politics and to reflect interdisciplinary approaches to solutions. This is why we ask you to answer the essay question, you can find on the homepage.

**Choose one case in which religious actors have intervened in a political debate. In a concise essay, assess whether this intervention strengthened or weakened democratic deliberation.**

Hereby I confirm that I submitted the requested Examination Task and that I did write the essay on my own. I also confirm that the information I have provided regarding my Bachelor courses is correct.
