

# SCHEDULE MA SUMMER RE 2025 POL

**ATTENTION:** Please note that the Foundation Courses required for Module 1 (except 1.3), which are listed in your admission letter, are only offered in the winter semester. Module 2 is mandatory for all MaREPol students. You also have to choose two out of the three interdisciplinary clusters Tolerance (Module 3), Conflict (Module 4) and Identity (Module 5). Each cluster consists of a total of four seminars taken over the period of two semesters. Please choose your courses accordingly. Use the LSF portal to register for courses. Some students may need to fulfill additional admission requirements in their first semesters. These courses are not listed here but can be found in the LSF.
